Students,

This is the last reminder email I will send. It is also copied to whomever your Chief or Training Officer is. You have until the end of the day on Friday, July 17th, 2020 to return the Proboard Vehicle Rescue book that you borrowed for the class that you were unable to finish. Each member was given an alternative contact either within their station or their county of someone that would be at the fire school and able to return their book without them bringing it themselves. If it is returned before the 18th, your station will receive a refund for Lab Fee for the class. If the book is not returned before the 18th, then we will verify a current replacement cost, if it is over the \$75 Lab fee that has been paid already then your station will receive a bill for the difference. Once the book is returned, John has requested that your Chief send him an email to take care of the refund. His email is John@ycfs.us.

If you need to return your book after our work hours, we have a plastic tote outside the main door of the admin building for deliveries, please secure it in there. Feel free to let me know if you have any questions.

Sincerely,
Holly Frock
